Education and Certification

BACHELOR OF SCIENCE EDUCATION IN ECONOMICS
Ekiti State University – Ado-Ekiti, Ekiti | 2025
Major Coursework: Econometrics, Statistics, Macroeconomics, and Microeconomics

DIPLOMA IN DATA ANALYSIS
AltSchool Africa | 2026
Major Coursework: Python, Excel, SQL

Selected Projects

BMW Car Sales Report – Personal Project

- Designed and deployed an interactive **Power BI** dashboard analyzing BMW car sales across multiple dimensions, integrating **DAX** measures, KPIs, and data modeling to uncover regional trends, fuel-type adoption patterns, and revenue performance, supporting data-driven decision-making

MTN Customers Churn Report – Personal Project

- Designed an interactive **Power BI** dashboard analyzing churn across 484 customers, identifying churn causes, segment trends, and retention opportunities. Applied **Power Query** for data cleaning and transformation; used **DAX** for churn rate, revenue loss, profit retention, and satisfaction measures

Sales Data Analysis – Personal Project

- Performed exploratory data analysis (**EDA**) on sales transactions using **Python** (**Pandas, NumPy, MatPlotLib, Seaborn**), generating statistical summaries and visual insights on pricing, customer demographics, and variable correlations to support decision-making.
